Spending A Plot Point

Bonus Die — Spending a plot point grants the character a bonus die on the current roll. The player may spend the plot point before or after the dice are rolled.

Escape — Spending a plot point allows the character to immediately break free of a grapple or a lasting power such as Dazzle, Mind Control, or Telekinesis.

Inspiration — Spending a plot point grants the character an intuitive leap: the player receives a hint from the GM on what to do next.

Power Stunt — Spending a plot point permits the character to use a power they do not have.

Rally — Spending a plot point allows a character to rally and immediately recover half of the Endurance they have lost.

Retcon — Spending a plot point allows the player to change the past in some way that supports the current needs of the plot.

Surge — Spending a plot point increases one of the character's attributes by one for one round.
