SPENDING A PLOT POINT

Bonus Die Spending a plot point grants the character a bonus die on the current roll. The player may spend the plot point

before or after the dice are rolled.

Spending a plot point allows the character to immediately Escape break free of a grapple or a lasting power such as Dazzle,

Mind Control, or Telekinesis.

Spending a plot point grants the character an intuitive Inspiration leap: the player receives a hint from the GM on what to do

next.

Spending a plot point permits the character to use a **Power Stunt**

power they do not have.

Spending a plot point allows a character to rally and Rally immediately recover half of the Endurance they have lost.

Spending a plot point allows the player to change the past Retcon in some way that supports the current needs of the plot.

Spending a plot point increases one of the character's Surge attributes by one for one round.
